3. Authorize the Consolidated Fire Protection District of Los Angeles County (Fire District), pursuant to County Code Section 2.20.080, to provide fire protection services to the State Responsibility Areas covering the period from July 1, 2008, through June 30, 2011, and to receive compensation for such services in the amount of \$64,253,555 under the above Agreement.
4. Authorize the Fire Chief to execute any amendments to the above Agreement necessary to accept additional compensation from the State that exceeds the State's spending authority of \$64,253,555 through June 30, 2011.
5. Authorize the Fire Chief of the Fire District to review and update the Operating Plan on an annual basis.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

In conformance with provisions of the Public Resources Code, Section 4125, et seq., your Board is requested to approve the attached Agreement between the California Department of Forestry and the County. The Agreement authorizes the State to continue to compensate the Fire District, through the County, for the prevention and suppression of fires in State Responsibility Areas (SRA). SRA lands include privately owned watershed lands and portions of unincorporated areas of the County that are within the Fire District boundaries. There is a shared wildland fire protection responsibility for this acreage pursuant to the County Charter and the Public Resources Code provisions that govern SRA. The Fire District will be compensated \$64,253,555 over the 3-year agreement term from July 1, 2008 through June 30, 2011.

The Agreement also authorizes the State to reimburse the Fire District for additional costs of certain equipment such as bulldozers, hand crews, and aircraft utilized in fighting wildland fires on SRA lands that would be over and above the State's annual compensation to the Fire District. Such reimbursement by the State would be in accordance with Attachment I of the Agreement.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan focuses on safety and security in Los Angeles County through the comprehensive integration of public safety agencies (Goal 8). In this case, the proposed Agreement supports this goal by integrating a coordinated strategy and sharing of necessary resources for fighting wildfires.

The Honorable Board of Supervisors
June 4, 2008
Page 3

FISCAL IMPACT/FINANCING

The State of California will pay the County of Los Angeles \$20,385,430 for Fiscal Year 2008-2009, \$20,358,745 for Fiscal Year 2009-2010 and \$20,449,687 for Fiscal Year 2010-2011 for fire protection and fire prevention services provided under the Agreement. These amounts will be passed through to the Fire District as the service provider. There is an additional \$3,059,693 contingency for future increases. Contractual compensation to the County is based upon what the State would spend if it were providing protection directly. Therefore, the two succeeding years' reimbursement is dependent upon the State's budget and legislative action for budget reduction and/or additional augmentation funding.

Additionally, costs over and above the annual amounts incurred by the Fire District in the actual fighting of wildland fires on SRA lands for equipment such as bulldozers, hand crews, and aircraft, shall be billed by the Fire District and reimbursed by the State in accordance with Attachment I of the Agreement.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Pursuant to the provisions of the Public Resources Code, the State has elected to contract with the County for its legally required financial share of fire protection responsibility in this designated area. Based on the County's fire protection capability, efficiency and qualifications, an agreement is executed between the County and the State of California which provides for payment to the County for fire protection services rendered in State Responsibility Areas. This three-year Agreement provides for State reimbursement totaling \$64,253,555 including \$20,385,430 for Fiscal Year 2008-2009. Actual reimbursement rates will be adjusted annually through the State's Gray Book (Exhibit F to the Agreement) based upon the level of funds appropriated by the State for this purpose. Pursuant to County Code Section 2.20.080, the Fire District will provide the fire protection services and receive compensation. The Agreement is automatically extended after the conclusion of the three-year term until the earlier of either: 1) a renewal agreement is executed or 2) either agency provides a minimum of 12 months written notice of termination.

As specified by the Agreement, an Operating Plan is required and is currently being developed by the Fire District and the State. The Operating Plan will contain all the guidelines and information necessary to implement the terms and conditions of the Agreement.

The Honorable Board of Supervisors
June 4, 2008
Page 4

In addition to Los Angeles County, the Counties of Kern, Marin, Orange, Santa Barbara and Ventura have entered into similar agreements and are commonly known as the "Contract Counties." These counties provide direct protection to approximately 3.4 million acres of SRA.

CONCLUSION

Please have your Executive Officer return two executed originals of the Agreement to this office for further processing and transmittal to the California Department of Forestry and Fire Protection for execution by the State.

Upon execution by the State, the Fire District will return one fully executed Agreement to the Executive Officer, Clerk of the Board.

Respectfully submitted,

SPECIAL TERMS AND CONDITIONS

1. Excise Tax

The State of California is exempt from federal excise taxes, and no payment will be made for any taxes levied on employees' wages. The State will pay for any applicable State of California or local sales or use taxes on the services rendered or equipment or parts supplied pursuant to this Agreement. California may pay any applicable sales and use tax imposed by another state.

2. Settlement of Disputes

In the event of a dispute, within ten (10) days of discovery of the problem contractor shall file a "Notice of Dispute" with:

Attention: Contracts Manager
P.O. Box 944246
Sacramento, CA 94244-2460

Within ten (10) days of CDF receiving contractor's notice, the contracts manager or designee shall advise contractor of the findings and recommend a method to resolve the dispute. Decision of the contracts manager or designee shall be final.

In the event of a dispute, the language contained within this Agreement shall prevail over any other language including that of the bid proposal.

3. Right to Terminate

Either party may terminate this Agreement at any time by giving a minimum of 12 months notice to the other party. In the event of termination, State shall pay Contractor for all costs and un-cancelable obligations incurred to the date of termination up to but not exceeding the maximum amount payable.

4. Potential Subcontractors

Nothing contained in this Agreement or otherwise, shall create any contractual relation between the State and any subcontractors, and no subcontract shall relieve the Contractor of his responsibilities and obligations hereunder. The Contractor agrees to be as fully responsible to the State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. The Contractor's obligation to pay its subcontractors is an independent obligation from the State's obligation to make payments to the Contractor. As a result, the State shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

5. Evaluation of Contractor

Performance of the Contractor under this Agreement will be evaluated. The evaluation shall be prepared on Contract/Contractor Evaluation Sheet (STD 4), and maintained in the Agreement file. For consultant agreements, a copy of the evaluation will be sent to the Department of General Services, Office of Legal Services, if it is negative and over \$5,000.

EXHIBIT D
(Standard Agreement)

6. Agency Liability

The Contractor warrants by execution of this Agreement, that no person or selling agency has been employed or retained to solicit or secure this Agreement upon agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the State shall, in addition to other remedies provided by law, have the right to annul this Agreement without liability, paying only for the value of the work actually performed, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

7. Force Majeure

Neither party shall be liable to the other for any delay in or failure of performance, nor shall any such delay in or failures of performance constitute default, if such delay or failure is caused by "Force Majeure." As used in this section, "Force Majeure" is defined as follows: Acts of war and acts of God such as earthquakes, floods, and other natural disasters such that performance is impossible.

8. Contractor Name Change

Contractor shall provide a written notice to the State at least thirty (30) days prior to any changes to the Contractor's current legal name.

ADDITIONAL PROVISIONS

1. **HOLDING OVER**

A. It is hereby understood and agreed that:

- 1) In the event STATE or COUNTY decides not to renew this Agreement, STATE or COUNTY shall provide the other a minimum of 12 months written notice of such intention. If no such notice is received, and a new Agreement has not been executed, this Agreement shall be automatically extended on the same terms and conditions as contained herein, together with amendments if any, until the earlier of:
 - (a) The date on which a new renewal Agreement is fully executed, or
 - (b) Termination of this holdover Agreement by the mailing by either COUNTY or STATE of 12 months written notice to the other party.
- 2) Renewal Agreements shall be retroactive to the end of the term of the present Agreement. Any payments made during a holdover period shall, if necessary, be promptly adjusted to comply with payments called for in the new Agreement. Such adjustments shall occur within 60 days after approval of the new Agreement by the State Department of General Services. COUNTY shall invoice STATE for any billing correction made necessary because of changes in the contract rates.
- 3) The effectiveness of this Exhibit E, paragraph 4 is conditional upon the lawful appropriation and availability of STATE funding for COUNTY'S services during the term of this Agreement.

2. **INDEMNIFICATION**

Paragraph 5 of Exhibit C, General Terms and Conditions, does not apply because it is superseded by this paragraph. COUNTY agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by COUNTY in the performance of this Agreement.

Pursuant to Government Code section 925 et seq., STATE agrees to indemnify, defend and save harmless the COUNTY, its officers, agents and employees from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by STATE in the performance of this Agreement.

3. **INDEMNIFICATION FOR VEGETATION MANAGEMENT PROJECTS**

The STATE agrees to indemnify, defend, and hold harmless the COUNTY, its agents, officers and employees, from and against any and all liability expense, including defense costs and legal fees, and claims for damages of any nature whatsoever, arising solely out of performance by the COUNTY of approved vegetation management projects undertaken as part of fire prevention activities under this Agreement.

4. Notwithstanding the terminology of Public Resources Code sections 4119, 4153, 4423, and 4436, the COUNTY shall not act as an agent of the STATE but shall exercise the powers granted in those sections independently as authorized by Public Resources Code Section 4129.
5. Paragraph 15 of Exhibit C does not apply to this Agreement because the services provided in this Agreement were not obtained by means of a competitive bid.
